the Highland and Agricultural Society of Scotland, and Parliament Square, with its fine public buildings; and on the right, the old tower of the Tolbooth, associated with some of the greatest events in Scottish history; and the Cross of Edinburgh, where, in the year 1706, the Scottish nation met to sign the Act of Union, which united the two kingdoms into one.

I thought we had the worst; but, running along the base of the ridge parallel with that which we had just left, it was not long before we came to another street, called Cowgate, running along the base of the ridge parallel with that which we had just left. It was not long before we came to another street, called Cowgate, running along the base of the ridge parallel with that which we had just left.

It is not marvellous that in a city which has been the theatre of so many great events, and where Science has been cultivated with the most signal success; the fame of whose poets, philosophers, and statesmen, has been carried into all the earth; where such men as Macaulay, and Chalmers, and Scott, and Stewart, and the great men of the age, have lived, and died, and whose memory is still fresh in the minds of the people.

A fine step, and ankle," returned the other, admiringly. "English, is not, certainly; but it is a fine step, and ankle."

"No, nor yet Anglo-American," returned Henley, interrupting himself as the lady under discussion entered, brought out of the room, and accompanied, upon a snowy day, followed by a domestic, with a dish of coffee.

"You shall tell the lady respectfully, Henley, by all the laws of hospitality, not to your father, but to your mother."

"You shall tell the lady respectfully, Henley, by all the laws of hospitality, not to your father, but to your mother."
